Dear Patient,

The following car parking facilities are available in the grounds of and in the vicinity of Innsbruck University Hospital (LKI):

- **Bringing and collecting patients:** Waiting and parking is only allowed in the parking spaces that are marked **BLUE** for the duration of max. **30 minutes**.

**Vehicles will be towed away at the expense of the owner in the following cases:**

*When parked or waiting outside of the designated blue parking areas (e.g. in the parking area reserved for fire brigade vehicles, on the roadway, on parking spaces reserved for the disabled without a disabled parking permit, reserved parking spaces (marked white), areas reserved for ambulances, in particular green areas (even if the vehicle is not causing a hindrance), no-access areas (white) etc.)*

**A claim for trespass/injunction will be lodged in the following cases:**

- Exceeding the allowed parking time
- Failure to display a car park access permit

Upon entering the car park with your vehicle you accept that your vehicle will be towed away should you contravene regulations, and you agree upon entering the car park that should your vehicle be towed away you will bear the full costs incurred (towing charges and administrative expenses).

- **Short-stay parking:** In the short-stay parking zones outside the hospital grounds (max. 3 hours) or in the West Garage
- **Long-stay parking:** For LKI hospital patients special-rate parking is available in the West Garage (underground car park under the Beselepark, entrance Innerkoflerstraße). The car park is approximately 5 minutes' walk from the hospital. The following charges apply:

**West Garage (special parking rates for hospital patients)**

Valid as of November 2015 (may be subject to change)

Per minute €0.039 (charged by the minute, amount payable is rounded to €0.05/€0.10)  
Max. daily charge €10.40  
Each additional day €6.40

**Long-term car parking ticket sales:**  
Mon – Thurs from 7.00 am – 10.00 am  
Monthly ticket: €120.00
